

Kamala Harris and Tim Walz are fighting for real solutions for working families, including support for public education; an economy that works for all; access to affordable, high-quality healthcare; and fighting for our freedoms.

Throughout her career—as a district attorney, an attorney general, a U.S. senator and the vice president—Harris has demonstrated her commitment to:

SUPPORTING PUBLIC EDUCATION

- ✓ Provided a historic investment of \$135 billion for public education to safely reopen schools and address staffing shortages, low pay and students' learning loss.
- ✓ Supplied record investments in STEM education and career and technical education.
- ✓ Secured billions of dollars in new investment for historically Black colleges and universities and minority-serving institutions.
- ✓ Initiated over \$167 billion in student debt relief and repaired the Public Service Loan Forgiveness program.
- ✓ Opposes private school vouchers.

FIGHTING FOR ECONOMIC SECURITY AND WORKERS' VOICES

- ✓ Created more than 15 million jobs through the Biden-Harris administration and helped the United States avoid a recession.
- ✓ Furnished record amounts of funding to rebuild and expand our national infrastructure—including public transit, bridges, roads and high-speed internet.
- ✓ Invested \$825 billion in manufacturing and clean energy.
- ✓ Protected and strengthened Social Security and Medicare.
- ✓ Chairs the White House Task Force on Worker Organizing and Empowerment to advance workers' rights, including the right to join a union.

EXPANDING ACCESS TO AFFORDABLE, HIGH-QUALITY HEALTHCARE

- ✓ Lowered health insurance costs for 13 million people by an average of \$800 per year.
- ✓ Capped the price of insulin for seniors at \$35 and took on Big Pharma to allow Medicare to negotiate lower prescription drug prices.
- ✓ Made the largest one-time investment in the healthcare workforce.
- ✓ Fought to set new maternal health standards, expand postpartum Medicaid and reduce racial disparities in maternal mortality.

PROTECTING RIGHTS AND FREEDOMS

- ✓ Fought for federal protections for reproductive healthcare and safeguards for patient privacy.
- ✓ Committed to passing the Freedom to Vote Act and the John Lewis Voting Rights Advancement Act to codify more protections for people exercising their right to vote.
- ✓ Led the battle to uphold marriage equality as California's attorney general.

ENSURING SAFE COMMUNITIES

- ✓ Heads the first-ever Office of Gun Violence Prevention and successfully fought to close the "gun show loophole" and prevent domestic abusers from purchasing guns.
- ✓ Passed the most significant gun safety law in nearly 30 years.
- ✓ Advocated for community-based violence interruption programs, community schools and mental health services in schools to support student well-being and safety.

FIGHTING FOR CLIMATE JUSTICE

- ✓ Introduced legislation on clean water, lead pipes and electric vehicles—proposals eventually included in the Bipartisan Infrastructure Law.
- ✓ Defended laws protecting clean air and water while holding polluters accountable as California attorney general.
